OBJECTIVE

Seeking STEM-related positions in order to gain valuable work experience and enhance my skills.

WORK/VOLUNTEER EXPERIENCE

Canuel Caterers - Employee

Sep 2022 - June 2023

- Learned how to operate a card machine and perform different functions related to the cafeteria kitchen (including making burgers, fries, and hot dogs).
- Worked in a team environment where I polished my communication skills.
- Demonstrated my ability to quickly adapt to a challenging, fast-paced environment by paying attention and watching how the other employees worked.

Vancouver International Children's Festival - Volunteer

June 2022

- Developed and implemented fun activities for children (mostly aged 4-12) to enjoy throughout the festival.
- Collaborated with team members to keep an activity station running.
- Earned positive feedback from parents regarding engagement with visitors and helpfulness.

Tutor

Oct 2021 - May 2022

- Helped students (mostly relatives from my family) grasp mathematical concepts and stay up-to-date with homework.
- Assisted students in finding useful study methods to enhance academic performance.
- Researched and recommended textbooks, software, and other learning materials to complement tutoring.

North Delta Air Cadets - Volunteer

Sep 2019 - Mar 2022

- Raised funds for the organization through community outreach initiatives.
 - Participated in poppy sales annually on Remembrance Day.
 - Contributed to tree chipping drives around Christmas time, as well as bottle drives.
 - Performed a wide range of support duties and functions relating to various aspects of the squadron.
